

Everything you need to know about Rifco's GPS Device and Starter Interrupter Device (SID)

GPS Required = All Rifco Loans except Drive Plan

SID Required = Drive Plan (Tier 5 and 6)

Devices will be shipped directly to your dealership when your deal is in funding. We have this automatically triggered to notify Passtime. Passtime will ship the device required for your deal.

Each Dealership should select a "Passtime Admin". Due to Multi-Factor Authentication requirements, only one email address is available per Dealership.

Site to verify device: <https://oasis.passtimeusa.com/login>

Account #8566

Login ID: Rifco Will Provide

Password: You will click "Forgot Password" to reset your password or create a new one.

For any assistance with your Rifco Passtime Portal, contact Dealer Services (dealerservices@rifco.net 1.855.478.2439)

Documents that can help you:

- PassTime/RIFCO Dealer Quick Reference Guide
- Elite 6 installation guide – If you require additional support, or vehicle specific wiring information please contact PassTime 1 800 865 3260 (*option 3 for Canada*)
- Rifco GPS and SID client disclosure form (required for funding)
- SID Verification Process - for verifying a SID unit once installed
- Passtime Preferred Installer List (Option to have a professional to install an SID)
- Google Authenticator installation manuals (2) to meet MFA requirements by either a desktop or mobile device.
